

ROHM Co., Ltd.

EU DECLARATION OF CONFORMITY (No. 201602)

We declare under sole responsibility of

Manufacturer ROHM Semiconductor USA
2323 Owen Street
Santa Clara, CA 95054
USA

Represented by ROHM Semiconductor GmbH
Karl-Arnold-Str. 15
47877 Willich
GERMANY

that the following product

Product	Type	Second generation ROHM sensor evaluation kit
	Name	SENSORSHLD1-EVK-101
	Description	Evaluation platform that integrates multiple ROHM sensor products on a single board. The shield uses standard Arduino shield interface pins, making it possible to connect to any evaluation kit with a shield interface header.

is in conformity with the essential requirements of following European Union harmonisation legislation

Directive(s)	2014/30/EU	Electromagnetic Compatibility
	2011/65/EU	Restriction of Hazardous Substances

which has been proven by compliance to the following standards or other normative documents

Harmonised Standard(s)	EN 55022:2010
	EN 55024:2010

Additional Information	none
-------------------------------	------

Date of Issue	2016/08/31 (year/month/day)
